We are sorry that ESTOFEX is currently unable to provide a daily service.

Previously valid products can be found in the [Forecast archive](#).

ESTOFEX products are issued to assist other meteorologists in forecasting severe weather. National meteorological services issue official warnings for your region. Those warnings can be accessed via their respective websites and on [meteoalarm.eu](#).

ESTOFEX deliberately offers its services without any funding or advertisement.

The forecasts are published under a [Creative Commons Attribution-Noncommercial-Share Alike 3.0 license](#).
